ANMORE – **The Village of Anmore has received \$1.5 million in federal and provincial funding to improve road access to the community and the nearby Buntzen Lake Recreational area.**

The funding comes from the federal and provincial governments, and was recently announced by Tri-Cities MP James Moore, and Port Moody-Westwood MLA Iain Black.

“Canada's Conservative Government is getting things done for the people of Anmore,” said Moore. “This \$1.5 million investment in federal and provincial funding for the reconstruction of East Road will ensure the community of Anmore has a safe, reliable and efficient transportation route.”

The grant will allow the Village of Anmore to reconstruct about 1.3 km of East Road from Lanson Crescent to the 2500 block of East Road. This road improvement will provide reliable and efficient access to the Village of Anmore and the nearby Buntzen Lake Recreational area.

“The project is a demonstration of government's commitment to investing in sustainable infrastructure projects that benefit our communities,” said Black. “We are pleased to partner with the federal government and the Village of Anmore to make this project a reality, improving road access to the Village of 1,600 residents and the Buntzen Lake Recreational area that sees 700,000 park visitors each year will have a positive impact on the area.”

“This contribution is for an important infrastructure rehabilitation of a road that has recreational use by the lower mainland, and also for the Village of Anmore, a semi-rural municipality,” said Mayor Hal Weinberg. “The Council of Anmore would like to express its thanks to the Canada-B.C. Municipal Rural Infrastructure Fund for its support and understanding of the importance of this infrastructure rehabilitation to the lower mainland and our community.”
