Working for the Tri-Cities

James Moore

MEMBER OF PARLIAMENT

"I'm voting to re-elect James Moore. He has done a great job representing the Tri-Cities and deserves all our support. He works hard, keeps his word, and the great results we've seen locally are a testament to his effectiveness as our MP."

*Mae Reid, Councillor
City of Coquitlam*

"James Moore has been unwavering in his efforts to achieve the goals of the Tri-Cities, and he has worked harder to serve the constituents of Port Moody-Westwood-Port Coquitlam than any Member of Parliament that I can remember. We are fortunate that James is seeking re-election as MP to represent our communities in Ottawa."

*Ralph Drew, Mayor
Village of Belcarra*

"In all my years, I have never been more proud of a representative in Parliament than I am of James Moore. James is bilingual, intelligent, a leader and truly grasps policy questions in a way that is rarely seen by public figures. If you want to make Canada stronger, and if you want B.C. to have a great voice in Ottawa, re-elect James."

*Dr. David Bond
Fmr. Chief Economist, Hong Kong Bank of Canada
Senior Fellow, Canada West Foundation*
